Urgent Reminder: Ask Your Representative to Support the Better Care Better Jobs Act

Thank you to those who have already sent a letter to our Congressional Democrats, we appreciate your participation during this busy time. **For those who have not sent a letter, please do so today. We are also asking for everyone to share this call to action with your friends, coworkers, and family who may live or work in these congressional districts asking them to send this message as well.** We have the opportunity right now to influence the future of our system through an investment in the Better Care Better Jobs Act, but we cannot take our foot off the gas. Please act now and reach out!

The Better Care and Better Jobs Act could be considered and revised by the committee of jurisdiction next week. PAR needs your help **this week** to write to our Democratic Congressional Representatives, asking them to **invest as much as possible into the Better Care Better Jobs Act**, and provide at least \$250 billion dollars for the Act. All 9 of our Democratic Representatives are co-sponsors on the bill. As negotiations move forward on the bill, the House needs to stand strong and include as much funding as possible. If you live or work in any of the Congressional Districts listed below, please click the button below and use the address in that district to [write your support](#) of the Better Care Better Jobs Act. Simply enter your contact information to send the letter. When you're done, please share it with others!
